A leading Cyprus law firm, [Harris Kyriakides LLC](#) offers a full-range of commercial legal services, including advice on financial and taxation issues. The firm enjoys a substantial transactional and corporate practice with extensive international reach, advising national and multinational corporations, financial institutions and governmental organisations while servicing high-profile clients across industries such as banking, insurance, real estate, telecommunications, shipping, oil, and construction. The firm has also been strongly involved in litigation practice and dispute resolution, and works diligently to ensure optimal results for their diverse client base.

## THE CHALLENGE:

One of the main challenges for this full-service law firm with its wide-ranging reach was the effective management of time. Vast numbers of employee timesheets had to be managed and tasks prioritised, to ensure that work was being carried out in a timely, appropriate and effective manner.

At the same time, the organisation needed to handle a huge amount of task billing in a manner that represented billable hours.

These challenges required the introduction of a comprehensive solution which could facilitate and streamline all corporate administration procedures.

### VELOS CORPORATE ADMINISTRATION SOLUTION:

The Velos Corporate Administration Solution provided Harris Kyriakides LLC with a complete line of entity management automation and corporate secretarial services, delivering a swift, hassle-free experience for corporate Management.

### VELOS TIME MANAGEMENT SOLUTION:

The Velos Time Management Solution provided the organisation with a tailor-made approach to managing, assessing, and prioritising each employee's tasks, allowing users to submit precise timesheets detailing the time spent on each project, and providing a sound basis for staff performance assessments and a complete picture of the time needed to execute tasks.

### VELOS BILLING SOLUTION:

The Velos Billing Solution allowed the organisation to enjoy effortless management of billing of tasks based on billable hours of each project.

**BENEFITS:**

Through the introduction of the Velos Corporate Administration, Time Management, and Billing Solutions Harris Kyriakides LLC now enjoys the myriad of benefits inherent in automation. These advantages include a seamless and cost-efficient method of carrying out business processes; a step forward in management of data (no matter its volume and complexity); valuable insights into time allocation and reevaluation; and a complete picture of the firm's billing of tasks.
